How2 publish MS Powerpoint slides for the web

This guide shows you how to publish your slideshow so that you can view it on the web.

- 1 If you haven't already done it, open the MS PowerPoint document you want to use.
- 2 Click on the **File** menu, move your pointer to **Save as Web Page**.

- 3 Select the location that you want to publish your slideshow to, give it a name and click on publish.

- 4 Choose your options in the pop-up box and click on publish.

- 4 You can use the help menu if you are unsure about any of the options.
